Dear Mark:

I just wanted to let you know how pleased all of us at SportsMedicine Grant are with the services you provide through KLC. We have been working together for many years and I have not said it often enough, but the work you have done for our physicians and our patients most of all has been outstanding in every respect. We appreciate your timelines and the quality of your products. We can always rest assured that the service and repair is top notch and very prompt. I have had the opportunity to talk to other physicians and been delighted to tell them about what a strong relationship we have and have encouraged them to call you.

We are looking forward to continuing our relationship and looking ahead to many years of continued success. Once again, thank you very much for all that you do. KLC Services is one our strongest and most dependable partners.

Keep up the good work.

Sincerely,

Randall R. Wroble, M.D.
